

Evolving Science of the Brain and Body

2011 Annual Conference Registration

You are invited to join us in Dallas, TX, for our 37th Annual Conference. We are thrilled to have Dr. Don Moss, Ph.D., as our Keynote Speaker and 6-hour Sunday Workshop Presenter. Our website, bstx.org, has all the details.

We are also excited about hosting our first Webinar. Dr. Peter Litchfield, Ph.D., will conduct a 3-hour workshop on Friday evening on growing your practice. This should be especially helpful during this struggling economy.

Please print and mail your completed registration form along with your payment. You'll notice there are many discounts including Out-of-state attendees, 1st Time Attendees, students, Early Birds and for bringing guests. The Guest Discount can be used if: 1.) You refer someone who joins BST; and 2.) You bring a guest or someone who has not been to our conference in over 2 years. Also of importance, are the Early Bird deadlines of **September 16th and September 30th**.

Embassy Suites Hotel conference rate of \$99 is valid until *September 22nd*. Again, see our website for additional hotel information and link. I encourage you to make your reservation soon!

I look forward to seeing you in Dallas!

Natalie Thomas, LPC
President

Biofeedback Society of Texas

2011 Annual Conference October 14—16 DFW Airport South

Evolving Science of the Brain and Body
